

# THE L.A. TRUST YOUTH ADVISORY BOARD

## About the YAB

The purpose of The L.A. Trust Youth Advisory Board (YAB) is to ensure that the practices of the organization and its Board of Directors are informed by youth. YABers work to impact campus culture and increase meaningful student relationships with the Wellness Centers.

We work to empower young people and provide them the skills to be health advocates for their peers and for their communities.

## Highlights

- ✓ Presented to the L.A. Trust's Board of Directors about suggestions for improvement within the Wellness Network
- ✓ Presented to LAUSD School Board about water conditions and served as liaison to LAUSD's \$20 Million Water Station project
- ✓ Participated in and led portions of The L.A. Trust's Tooth Fairy Convention and Youth 2 Youth Conference
